America Recycles Day is a time that kids can help spread the word about the importance of recycling, especially at school. Students in grades K-8 can help by designing a poster and slogan that displays the importance of recycling and encourages other kids to recycle too. Plus, you can win great prizes!

** Judging Guidelines **
Each poster should contain both artwork and a slogan that promotes recycling. Posters will be judged on creativity, design, slogan catchiness, and relation to the subject of recycling. The poster contest will be announced on November 15th, to help North Carolinians celebrate America Recycles Day. For more information about carton recycling, visit: recyclecartons.com/carton-recycling/schools/

** Grand Prize Winner **
Receives $100 gift card, will have their poster distributed to schools across North Carolina, and receive two recycling containers for their school.
