

Did You Know...

Many items can be recycled. Don't toss these items in the trash, recycle instead!

Items to recycle...	What to do...
Aluminum cans	Rinse and crush.
Steel or tin cans	Rinse and flatten.
Newspaper and glossy advertising inserts	Stack in a pile.
Green, blue, brown, and clear glass	Separate by color, rinse, and remove lids.
Plastic soft drink bottles and milk jugs	Remove lids, rinse, and flatten.
Paper and plastic bags	Use them again or return them to the grocery store where you bought them. If you don't see collection containers, ask the manager to start a recycling program.
Corrugated cardboard	Flatten.
